Bathing Suits

Models

18-E

1/2" Flat Crochet

Produces a 3/8" - 1/2" wide flat crochet stitch adjustable from 3 to 8 stitches per inch

Applications

Fleece blankets, wool blankets, knit outerwear

18-G

Flat Crochet on Light Material

Similar to style 18-E, but fitted with special parts that allow the 18-G to apply a crochet edge to light bathing suit material

Applications

Lightweight blankets and outerwear

18-A

1/2" Rolled Crochet

Equipped with a folding device that turns the material within the stitch formation

Applications

Fleece blankets, wool blankets, knit outerwear, felt boot tops

18-S

1/2" Mirrored Crochet

Similar to style 18-E, but fitted with special parts that create a crochet stitch that is identical on both sides of the garment

Applications

Fleece blankets, wool blankets, knit outerwear
